Hiking routes on a sailing yacht

2 weeks sailing in Cyclades

Sail for 2 weeks on the Greek islands on a sailing yacht, and visit the Cyclades islands: Kea, Mykonos, Koufonissi, Paros and many more!

Hiking tours on the islands are planned almost every second day; in between takes place the sailing trip, from one island to the other. Everyday however, there is some time for swimming and relaxing in the beautiful coves of the Cycladic islands.

Most of them combine hiking on open nature with a visit to historic monuments, such as the islet of Delos and Despotikon, the island of Kythnos and on cape Sounion.
